

SETTING THE STANDARD®

# GIV-X AND GV-SP OWNERS CALL NOW TO RESERVE YOUR SPOT!

**Be the first of these airframes to schedule with Pentastar and receive \$75,000 off installation\* in addition to the Unlimited Data† promotion offered by SmartSky!**

SmartSky's patented beamforming technology uses an industry leading 60mhz of spectrum. The signal delivers 20x the current industry standard and locks onto each aircraft in the network, allowing passengers to stream, chat, text, call, game, and video conference seamlessly. This connectivity solution promises tremendous value — today and later at the point of aircraft resale.

## **Unlimited Data. Limited-Time Offer†.**

Sign up now for SmartSky 4G LTE and use all the data you want for an affordable, fixed monthly fee on the Enterprise plan.

\* To be eligible for \$75,000 off, the installation must be completed by September 22, 2018 and is only available for the first GIV-X and GV-SP to sign up.  
† SmartSky's unlimited data offer is only available to those who are signed up by June 30, 2018. Go to <https://www.smartskynetworks.com> for details.

Schedule your install today.
